WHEN: Saturday, October 25th from 11am to 2pm

WHERE: Kiwanis Island Park
State Road 520
Merritt Island, FL

DETAILS: Standup Paddleboarding is one of the fastest growing water sports in the country. The sport has participants raving about the exercise and stress relief benefits that enable them to go for a casual cruise in oceans, rivers, and lakes.

The boards range from ten to twelve feet long and are much thicker and more stable than traditional longboard surfboards. Paddleboarders use a long canoe type paddle to propel and steer themselves in the water while standing in a relaxed and comfortable stance.
